

FCS 1500: Human Development through the Lifespan
Lessons Week 5: Chapter 3: Tools for Exploring the World
Day 9

Time	Concepts	Objectives	
:00-:25	Motor Development Fine Motor Gross Motor Interaction between Maturation/Experience Dynamic systems theory	Students will sort fine/gross motor activities, and correctly select which will occur first in order. Students will define maturation, define the effect of experience on the development of schema, and tell how the two interact to create opportunities for learning growth Students will define Dynamic Systems Theory: <i>motor development involves many skills that are organized and reorganized to meet task demand</i>	Sorting sheet...possible quiz Zimbardo, Tape 5, Visual Cliff Have students write, in their own words, how Dynamic Systems can be seen in the preschool children.
:25-45	Putting concepts into practice	Students will design activities for the preschool friends, using the activity lists provided and the lesson plan format from the supplement.	Hand out the preschooler information sheets. Orient the students to a 'good' lesson and activity plan
:45-:65	Temperament	Students will define Temperament, and students use an assessment form to make guesses on the temperament of their preschoolers. Work in pairs.	Zimbardo, Tape 5 Use the rating sheet; perhaps for one of the preschool friends. Partner activity; need 16 forms.
:65-:75	Theory of mind...development of sense of self...	Theory of mind: <i>a naïve understanding of the relations between mind and behavior. A sense that my own thoughts are unique to me and others don't know what I'm thinking.</i>	Mind Tape, Infant Social Development Rouge Experiment Discuss the A not B experiment. Shown on pg. 125

FCS 1500: Human Development Across Lifespan

Week 5 Lessons

Day 10: Tools for Exploring the World

<u>Time</u>	<u>Concepts</u>	<u>Objectives</u>	<u>Activities</u>
:00-:05	Prepare for test	Students will ask questions related to Chapter 3.	A few last minute questions to prepare for Chapter 3
:05-:25	Test	Students will complete test with minimum 75% scores	
:25-:75	College Friend Day	Students will implement lessons written for the preschool friends.
